

COMPANY STORY

Our inspiring story began in 2015 in Jena, Germany. Gitterwerk GmbH is a start-up company that is purely run by enthusiastic pioneers, we are simply your BEST partner for high quality diffraction gratings with world-renowned efficiencies.

What drives us? Team spirit, mutually growing passion for perfection, and last but not least our strong desire to positively contribute to shaping the future of the Laser market. We are proud to say that Gitterwerk's cornerstone is its people, that is why we are committed to maintaining a respectful, open-minded, and encouraging work environment.

So, the real question is, are you ready to become part of our story?
